 Accommodation The Maramu is a center cockpit aft cabin ketch design. The forward v-birth can be closed off with a water tight bulkhead to form a guest cabin with an ensuite toilet/shower. This suite has a hanging locker and abundant storage overhead and below the beds. There is an overhead hatch, as well as a fan for ventilation. Moving aft you will find the main salon, nav station and galley. The dining table seats up to 8 persons. There is sleeping accommodations for 3 adults. The Salon floor has 10 removable covers for dry storage. The companion way into the aft cabin holds the diesel fuel tank with storage on top. Like the v-birth, the aft cabin closes off to provide privacy when guests are of board and also is furnished with its own head/shower.
